Greetings to you, Pastor Lynda Brown-Jackson!

We are excited that you have accepted our invitation to be honored and recognized at our Excellence in Service Gala on Saturday, November 5, 2022, at 4:00 p.m. as a Community Leader who has made a difference and impact within the Greater Washington, DC metropolitan area. The event will be held at Southern Friendship Missionary Baptist Church, 4444 Branch Avenue, Temple Hills, MD 20748.

There will be several community leaders recognized, and we have allotted a five-minute slot for each of you to expound on your current and upcoming community initiatives/programs. Prayerfully, this will bring further awareness to who you are, and what your organization provides for the community.

Please email us a recent professional headshot of you (dpi 300 resolution; .jpg/.png format), and a current brief biography to pacdcgin@gmail.com no later than September 30, 2022, to be used in our marketing materials.

You will receive two complimentary tickets. We would love for you to encourage your staff, members, family, and friends to attend. Tickets cost \$60.00 per person (includes buffet dinner and entertainment); monetary donations are accepted as well. If you have any questions, please contact directly at (980) 399-1100.

Warm Regards,

Beatrice Whitley
